Hello Calvert Stewards!

For our second quarter of the year, April through June, we have had 2,243.53 volunteer hours logged. This is equal to a value of more than \$66,206 in equivalent staff costs. Our top 5 volunteers of April, May, and June are Mary Hollinger with 251.15 hours, Eaton Ekarintaragun with 144.75 hours, Camryn Arnstein with 141.50 hours, Jason Avery with 131.20 hours, and Tonyia Johnson with 117.90 hours. We thank all our volunteers for the irreplaceable work you all put in for us.

We thank our volunteers for all their hard work so far this year. We can't do it without you all. We have multiple upcoming opportunities that we need your help with! For upcoming activities in the fall, we have opportunities in Animal Care, Trail Maintenance, Monarch Monitoring, Outreach Events, and Education. Please check out our site if you are interested. <https://calvertstewards.galaxydigital.com/need/>
